

Henry® a Carlisle Company Warranty Coverage For Accessory Products

Henry Blueskin PreSeal® Pre-Applied Waterproofing System

Blueskin PreSeal 320 and Blueskin PreSeal 435 are pre-applied waterproofing membranes consisting of a fully and permanently bonded polypropylene membrane laminated to a chemically enhanced non-woven geotextile fleece with a dimpled surface. The Blueskin PreSeal system contains an adhesive that provides for a mechanical attachment into wet concrete to form a permanently bonded waterproofing barrier.

The following products are eligible for warranty coverage when supplied by Henry or Carlisle® and installed per Henry requirements.

Blueskin PreSeal Pre-Applied Waterproofing

1. Blueskin PreSeal 320 Pre-Applied Waterproofing Membrane
2. Blueskin PreSeal 435 Pre-Applied Waterproofing Membrane
