A system approach for roof restorations and weatherproofing

From the #1 Choice of Professionals®

Roof renewal and restoration for commercial, residential, and mobile home roofs, Henry Tropi-Cool® 100% Silicone Roof Coating helps extend the life of many aged roofs.

Tropi-Cool® 100% Silicone Roof Coating can be used on many different commercial or residential roof substrates to reflect the sun’s heat and UV rays, as well as to help seal and protect the surface. It works well on low slope roofs and is suitable for pitched roofs.
