## \*Agreement

Upon signing below, I certify and attest to the following:

1. The information provided herein is accurate to the best of my knowledge at the time of submission;
2. Our workman's comp or WSIB Certificate and liability insurance are in effect and have not been cancelled;
3. Henry Company can and should reasonably rely upon the information provided in issuing a warranty;
4. I understand that providing inaccurate or incomplete information, even if unintentionally could significantly delay the processing of the required warranty, and possibly prevent the warranty from being issued at all;
5. I understand that, for Gold Seal warranties, I am subject to a minimum warranty fee and that I am bound by the terms and conditions of the Henry Gold Seal Authorized Contractor Agreement;
6. I have complied with or will comply by the project completion date all relevant Henry written specifications and recommended installation requirements, as updated from time to time without notice on [www.henry.com](http://www.henry.com).
7. I understand that it is my responsibility to obtain specification deviation approval prior to job start;
8. I have complied with or will comply in installing Henry's products with good workmanship; and
9. If applying for a Vegetative Roofing Single Source Warranty, all products to be covered by the warranty were purchased from Henry or Henry approved suppliers.
